AMENDMENT UNDER 37 C.F.R. § 1.111

Commissioner for Patents
Washington, D.C. 20231

Sir:

Responsive to the outstanding Office Action dated July 6, 2001, once extended from October 6, 2001 to November 6, 2001 by the filing of an appropriate Petition and payment for an extension of time submitted herewith, please amend the above-identified application as follows.

IN THE CLAIMS:

✓
Please cancel claims 7 and 9.

✓
Please enter the following amended claims:

-
1. (Twice amended) A thermoplastic resin composition containing an oxygen absorbing agent, wherein a resin matrix of the thermoplastic resin composition is substantially non-compatible and is composed of blends of a plurality of thermoplastic resins and/or elastomers, one of the non-compatible thermoplastic resins and/or elastomer being a propylene polymer, and the other being an ethylene polymer, and the thermoplastic resins and/or elastomers
